I. The Definition of Faith

- A. A realization of **supernatural control** of human destiny.
- B. The **substance** of things hoped for. Heb 11:1

II. The Demand of Faith

- A. Accept the **inability** to finding God without faith.
- B. **Action** required to have faith.

III. The Direction of Faith

- A. **Invited** of God to have faith. John 6:44-45
- B. Instantly changes from a **sinner** to a **saint**.
- C. **Taught** of God's purpose, plan, and presence.

Faith sees the invisible, believes the incredible and receives the impossible.
